Assignment for 3rd Year BSc in Nursing Students

Subject: Adult Medical & Surgical Nursing-II

My dear students, I hope all are safe and well. At first I like to give thanks who are submitted their last phage assignment. Your 2nd phage assignments are as follows:

- | | |
|----|---|
| 1. | What is UTI and causes of UTI? Write down the causes and management of UTI. |
| 2. | Discuss urine incontinence including typed causes and management of urine incontinence. |
| 3. | What is CKD and causes of CKD? How will you manage a CKD patient in your ward? |

Submit by: Individual

Date of submission: on or before 7th May, 2020
