Assignment for 4th Year BSc in Nursing Students

Subject: Evidence Based Nursing (EBN)

My dear students, I hope all are safe and well. At first I like to give thanks who are submitted their last phase assignment. Your 2nd phase assignments are as follows:

1. What are EBN and EBP? Mention the components of EBN/EBP.
2. Discuss about the fundamental components and different steps of Evidence based nursing.
3. Write a short note on background of Evidence Based Nursing (EBN).

Submit by: Individual

Date of submission: on or before 7th May, 2020
